Schawayna Raie's First Concert In Indy Helping To Benefit Uplift Your Sister's Girls 2 Women Youth Development Program

Indianapolis, IN Sunday, August 4, 2013 7pm-8:30pm – Urban Gospel Phenom hit the Gospel scene December, 2010 with her debut album Through It All! She hit the ground running being asked to go on TCT Networks "I'm Just Sayin" with Pastor Dan Willis and to perform at Grammy Award Nominee Mark Hubbard's Birthday Bash in Chicago, IL just one month after the release.

She hit the top 52 on Belgium's charts with her hits "How Many Ways" and "Scene Before".

After her success with "Through It All", she followed up with her new release (June 20, 2013) "No More Hiding". She is bringing all of that music to Indy (her home town) in her first concert here ever the "No More Hiding Tour"!

Schawayna Raie founded an organization, Uplift Your Sister where she dedicates her time enhancing the lives of women. A portion of the proceeds from this concert will go to UYS's Girls 2 Women Youth Development Program where she partnered with Indy Parks Riverside (her childhood neighborhood) as a host site. She offers this program free of charge to many young ladies. She teaches Self Awareness, Self Esteem, Goals, Healthy Relationships and more!

"I'm excited to share this monumental experience with my fellow Hoosiers!", said Schawayna Raie. "I chose Indiana Historical Society because of its history here in Indy and to give people who aren't "practicing" Christians a place to experience God without the convictions of a church setting!".

"Your type of music is much needed at this day and time" said Shawn Manuel for Gospel Impact Radio.
